Department of Teacher Education

Visayas State University

Dear Ma'am,

As a passionate and dedicated educator, I am excited to express my deep interest in the open Instructor position in your school, VSU Integrated High School. As a proud graduate of the Visayas State University with a Bachelor of Secondary Education Major in Filipino, I am delighted to contribute to your organization's commitment to innovative and student-centered learning. Throughout my academic studies and practice teaching I completed at Plaridel National High School, I have trained to be an efficient and effective teacher.

I passed the Licensure Examination for Teachers on October, 2022 with an average of 89.60%. Currently, I work at the University Registrar-VSU Main as a Course Evaluator. At the same time, I was appointed as Assistant Adviser of one of the dormitories in our university which enhanced my management and leadership skills.

Although I haven't had teaching experience yet in any school, I believe that I am ready to take on the responsibilities of a teacher as I have already equipped myself with skills and learnings that I have gained through my teaching experience as a private tutor of 11 students from different grade levels during the COVID-19 pandemic. In addition to my experience, I enrolled a Master's degree in Education Major in Filipino at Franciscan College of the Immaculate Conception and also attended online lectures and seminars relevant to the teaching field.

I am confident that my passion for fostering student's life, coupled with my commitment to creating an inclusive and engaging learning environment, will contribute significantly to your school's mission. I look forward to hearing from you at your earliest convenience. Thank you for your time and consideration of my candidacy.

Sincerely,

Dalia T. Antig
