Dear Sir,

I am Kyle Rosario R. Arradaza, a Bachelor of Science in Chemistry graduate of Visayas State University. I am writing to express my interest in continuing as a part-time instructor at the Department of Pure and Applied Chemistry (DoPAC) for the second semester. Having had the privilege of working with the department in the previous semester, I am eager to build on my contributions and further support the academic growth of the students and the department.

During my time as a part-time instructor, I gained valuable teaching experience and developed a deeper appreciation for DoPAC's dedication to hands-on learning and collaborative education. I am committed to fostering a dynamic and inclusive learning environment where students are equipped with the tools and guidance they need to succeed. Additionally, I look forward to the opportunity to collaborate with the faculty on innovative projects and contribute to the department's continued success.
