CHARIS B. LIMBO

Department Head, Institute of Human Kinetics
Visayas State University
VISCA, Baybay City, Leyte

Ma'am:

A pleasant day!

I am writing this letter to apply for a teaching position in your institution. I am Christian Q. Singcol, 23 years old, living in Montealegre Kananga, Leyte. I am one of the 2019 graduates holding the degree of Bachelor of Secondary Education major in Music, Arts, Physical Education and Health at Leyte Normal University, Tacloban City. I passed the Board Examination last LET September 2019. Currently, I am taking my Masters of Arts in Education Major in Physical Education at Palompon Institute of Technology, Palompon, Leyte.

I am interested in applying in your institution because it would be a great opportunity for me to extend what I learn to future students. I believe this school will be an avenue for new opportunity and could help me grow to be a better educator. Working at the tertiary level as well as activities outside of the traditional classroom, offered me varied yet worthwhile experiences necessary for a 21st-century teacher. It helps me realized that the profession gives me more than an opportunity to share knowledge and skills but a way for me to contest myself to be committed, willing to learn the unlearn and treat challenges as an opportunity for me to develop. I have a diverse background with much to offer. I believe that the knowledge, skills, values and attributes that I have gained from my school may contribute something worthwhile to your office. Aside from the academic background, my skills in singing and Rondalla instrumentation can also contribute in honing potential students in the arts.

I believe that the position enables me to provide students with a "head start" in mastering necessary life skills. I am challenged to be creative, nurturing and most of all patient. I am enthusiastic, organized, have a solid work ethic and quick to build rapport with colleagues. My goal is to combine my range of experience with my ability to be a compassionate, enthusiastic, and open-minded teacher that will make a positive contribution to your school.

Feel free to contact me through the mobile number 09639173346 or with this e-mail account, meshansingcol0102@gmail.com. I would like to thank you in advance for taking the time reading this letter.

God bless and more power!

Respectfully yours,

CHRISTIAN Q. SINGCOL
