## SUMMARY

A highly motivated and compassionate Agricultural Extension Agent with a Bachelor of Science in Development Education, specializing in Agricultural Extension. Demonstrates a proven track record of delivering impactful and inclusive agricultural extension services across diverse rural and urban communities. Combines a solid academic foundation with hands-on experience to empower farmers, promote sustainable agricultural practices, and facilitate community development through education and outreach.

## WORK EXPERIENCE

### MARKET RESEARCHER AT SURVEY SAMPLING INTERNATIONAL PHILIPPINES INC.

- Conducted online, phone, and in-person surveys to gather consumer insights and market trends. Analyzed data to identify key patterns supporting client strategies. Designed and tested surveys using SSI tools, ensuring accuracy and quality. Delivered clear, actionable reports while maintaining strict privacy and research standards.

### REGIONAL KNOWLEDGE MANAGER AT DA-PHILIPPINE CARABAO CENTER

- Conducted and led knowledge-sharing strategies across diverse regions and functions. Demonstrated expertise in developing and managing knowledge systems, enhancing content quality, and fostering a culture of collaboration and continuous learning. Skilled in implementing KM tools, aligning regional practices with global standards, and leveraging data-driven insights to improve knowledge accessibility and operational efficiency. Strong in stakeholder engagement, change management, and cross-functional collaboration.
