Personal Statement:

I am a 25-year-old fresh graduate of the Bachelor of Science in Agriculture, major in Plant Breeding, from the Visayas State University, Main Campus, Visca, Baybay City, Leyte. I am a responsible and motivated person who works hard to complete tasks well. I can easily adjust to different kinds of work and can work effectively alone or with others.

Objective:

To find an opportunity where I can apply my academic knowledge and skills, continue to grow professionally, and contribute positively to the goals and success of the organization.
