**MANUEL D. GACUTAN JR.**  
Department Head  
Department of Animal Science  
Visayas State University  
Visca, Baybay City, Leyte 6512

Dear Sir Gacutan,

I am writing to express my keen interest in the Part-Time Instructor position at the Department of Animal Science as advertised by the VSU-HRIS team. With my strong academic foundation in Animal Science and practical experience, I am confident that I possess the skills and dedication to excel in this role and impart knowledge to the students.

I hold a Bachelor of Science in Animal Science degree and am a licensed agriculturist. I am currently pursuing my Master of Science in Animal Science, with four semesters completed and a few units on my thesis writings. My academic journey has equipped me with a comprehensive understanding of various animal husbandry practices, including: Animal nutrition and feeding, Livestock management, Disease prevention, and control, Meat science and technology, Dairy science, Research Methodology, Data analysis, Scientific writing, Communication and interpersonal skills, Problem-solving and critical thinking.

During my college years, I have experienced relevant management practices of various livestock species. I also researched the “Growth Performance of Chicken fed with mungbean Sprout” under your guidance which significantly resulted in lower FCR and increased weight gained.

I am a highly motivated and results-oriented individual with a strong work ethic and a passion for contributing to the advancement of animal science and eager to learn and grow within a dynamic and challenging environment.

Thank you for your time and consideration. I have attached my resume for your review and welcome the opportunity to discuss my qualifications further in an interview.

Sincerely,

**MART JOHN M. GOYO**
