An association that is composed of responsible radio communicators with disciplined, god-fearing, and law-abiding officers and members who are responsive to any emergencies and community needs to protect the properties and lives of the people”; **Mission** - By promoting a well-coordinated and orderly community through a responsible group of radio communicators, providing easily-accessed voluntary services, early detection of emergency and community needs through daily vigilance and timely response in mediating the situation to the concerned authorities; and **Motto** – “Serve humanity to serve God”. This motto is well understood as implied in the passages of the bible (1John 3:16-18). God is fond of teaching us by example so that when He demonstrated His love for us by dying on the cross, He meant that we should love His people, when He gave us something for our needs, He meant that we should give to his people who are in need also and that the act of loving and giving should not be done in words only but in action and in truth. Furthermore, the voluntary efforts of the Kabalikat members are in consonance with its objectives which are to: a) Serve the community within and through the mutual help and cooperation of the associations’ network nationwide, and through the various government agencies and civic minded groups in bringing the public service and assistance closer to every sectors of the community; b) Serve the community through the use of any communication channels available; c) Assist the government projects, campaign against moral decay, fight against criminality, juvenile delinquency and others to promote good governance; d) Promote bayanihan spirit, foster more stronger and cohesive fellowship and cooperation among communicators; and e) Raise the status of Community Communicators to a position of high responsibility and importance as well as to enable radio enthusiast to actively participate in public assistance particularly during emergencies, disasters and calamities.

Having been trained in radio communication, marshalling, basic life support and CPR, and in firefighting assistance, the Kabalikat Baybay Chapter has also been helping the Baybay CDRMO in several rescue mediations and operations.
