Department Head
Department of Arts, Languages, and Literature (DALL)
Visayas State University
Visca, Baybay City, Leyte 6521

Ma'am:

Shalom!

This letter serves as an expression of my interest in being part of DALL's teaching force again for the coming semester. My experience as a part-time instructor in the esteemed department during the first semester of this academic year has been a ride I will gladly do once more.

I am a Bachelor of Arts in English Language Studies graduate with the following work experiences: seven years as an online freelancer, two years as a preschool teacher, and six months as a part-time instructor in the Department of Arts, Languages, and Literature (DALL). I find teaching a fulfilling role as it allows me to share my knowledge with others and witness them put these learnings into action. During my stint as a preschool teacher, it filled me with pride to see the kids becoming competent in their ABCs, recognizing and reading simple words, and writing their names knowing that I contributed something to their learning process. My six-month period of teaching in DALL developed my patience, let me exercise my strength in gentleness, and allowed me to see the good in every situation. While my run as a part-time instructor wasn't perfect, I believe the realizations and attainments I procured over the months make me a wiser, more ready instructor, fit for the job at hand.

Attached is my updated resume and pertinent papers for your perusal. I am available anytime and looking forward to discussing what I can contribute to the department when hired as a part-time instructor. You can contact me through my cellphone number: 09455595425 or via my email: heziel.pitogo@vsu.edu.ph.

Thank you and Godspeed.

Kind regards,

Heziel Mae Joy N. Pitogo
