

JETT C. QUEBEC

Department Head
Department of Liberal Arts & Behavioral Sciences
Visayas State University

5 January 2022

Dear Dr. Quebec:

Greetings!

I, the undersigned is genuinely interested to renew my application as a Part-time Instructor in the Department of Liberal Arts & Behavioral Sciences (DLABS); after I learned from the university's job portal that the department is in need of manpower for the Second Semester AY 2021-2022.

In addition, the previous two consecutive semesters that I had been employed in DLABS as a faculty member has fostered my teaching career immensely. I have grown matured to handle social criticisms, not only as facilitator of learning, but as a zealous young woman. Over time, the department with the presence and support of the regular faculty and other superiors have paved the way for me to reckon that I belong to the pack. And with my competence in teaching and other professional skills, I know that I can contribute to the advancement of the Language and Humanities section. More so, in educating the Viscans through my language and literature expertise and meaningful experiences in life. Thus, I am grateful of having served the VSU community, and is willing than ever to pursue my teaching journey.

Should you consider that my qualifications merit your standards, you can reach me through this phone number +639700609755.

I look forward to hear from you soon.

Sincerely,

MARICAR M. LAUSE
