Dr. Barredo:

Greetings!

I am Marz Pauline G. Bandalan-Salazar, a licensed teacher. I am writing to show my interest on the chance of teaching in VSU-College of Education.

I am a Cum Laude graduate of BEED major in Science and Health in Mindanao State University- IIT Campus. I am currently taking up my Master of Arts in Teaching Natural Sciences in Southern Leyte State University-Main Campus. I taught in an International School for 2 years then I qualified for 10-month Cultural Exchange Program in Europe. After my stay in Europe, I taught English as a Second Language (ESL) to Japanese students. After 3 months, I was promoted as Team Leader in the Curriculum Planning and Development Department, spearheading the teacher trainings and curriculum offers. A year after, I relocated to Inopacan, Leyte after marriage. For the previous three semesters, I am a Part-time Instructor in Visayas State University-College of Education: handling professional education subjects and BEED major subjects such as Teaching Science in the Elementary Grades.

I will be grateful for any position that you may offer and willing to share my experiences and learn under your supervisions. Attached herewith are my resume, TOR, and certifications. I look forward to hear from you.

Sincerely,
