

LETTER OF INTENT

March 6, 2021

CHARIS B. LIMBO

Department Head

Institute of Human Kinetics

Visayas State University

VISCA, Baybay City, Leyte

Dear Ma'am Limbo,

I am writing this letter to express my willingness in teaching at the campus because I am so passionate and driven when it comes to imparting knowledge to students. I graduated in Bachelor of Secondary Education (major in Music, Arts, Physical Education and Health) at Visayas State University. My skills are essential to be taught to students so that their skills and abilities in Sports and Fitness will develop and could boost the confidence. I will be using some of effective teaching strategies even though it's a new normal and I'll make sure that they could learn with my efforts.

I was twice a Substitute Teacher in DEPED last year. My first appointment was in Ciabu Elementary School and I was appointed before the pandemic came. The second appointment was in Plaridel National High School and I experienced creating and printing of modules for the students. This time, I am applying to your institution because I want to share my knowledge to students in order for them to be physically and mentally strong.

Sincerely,

CHRISTIAN REY V. NAPOLES
