

November 18, 2022

Good day!

I am writing this so that I have a file to submit under the Trainings/ Seminar. It is required to submit a file under it, but I don't have any relevant to this one. I have attended various seminar and training when I was in college, but I don't think its relevance to the job because it's almost all about marketing

Thank you for understanding and consideration. God Bless.

Sincerely,

Jessa Bena
