Dr. Edgardo E. Tulin

Director

Lisa C. Arce

Assistant Director

Philippine Root Crops Research and Training Center

Visayas State University

Visca, Baybay City, Leyte

Dear Sir/Ma'am,

Good Day!

I am writing this letter to response in your advertisement published in the internet. I would like to apply as Science Research Assistant and I am very interested to occupy this job.

I am a graduate of Bachelor of Science in Agriculture major in Agronomy at the Visayas State University. I had some practical experiences during my college as part of our curriculum in our school and in my present work as a Science Research Assistant of Taro Germplasm collection in PhilRootCrops for three years and counting. I have acquainted myself with a range of skills that would allow me to make my work done.

Together with the cover letter, I attach herewith my resume for your full consideration. I appreciate your time reviewing my application, and it will be a pleasure for me to attend an interview with you at your convenient time. You can reach me through the mobile number: 0909-953-6369 and the e-mail address: johnalbertcobico37@gmail.com. Your positive response is most appreciated.

Sincerely yours,

JOHN ALBERT COBICO

Applicant
