**DR. CHERRY N. ROLA**

Department Head

Department of Arts, Languages, and Literature

Visayas State University

Visca, Baybay City, Leyte

Dear Dr. Rola:

Greetings of peace and love!

I am writing to express my interest in the English Instructor position within your department. I believe that my disposition, knowledge learned, and the skills honed throughout my career and education make me a fit candidate for the position. For your consideration, I accomplished my baccalaureate degree in Secondary Education, with a major in English Language as a candidate for Summa Cum Laude. Although my honor status was affected by transfer policies, my Transcript of Records reflects my commitment to excellence. I took a few units of Education -Administration and Supervision at the Eastern Visayas State University. To better align my academic focus to English language education, I am currently finishing my Master of Education major in Language Instruction program.

I hope to continue the rewarding experience I have had since July 2024 at Visayas State University under the Department of Arts, Languages, and Literature. This opportunity has allowed me to refine my teaching practice within a dynamic academic environment. For further consideration, I also passed the Licensure Exam for Professional Teachers shortly after graduation and was directly acquired by Saint Joseph College as a college instructor. Previously, I served as President of the College Students Organization, Adviser of the SJC English Major Society (for BAEL and BSED- Eng), and Editor-in-Chief of *The Josephinian Magazine* at Saint Joseph College. In addition, I was a lecturer for the English course for the LEPT review at GEEN ED CTRC.

In my years as an educator, I have taught a range of major English language, literature, art courses as well as General Education courses for both Education and non-Education programs. I am eager to bring my skills and experiences to your institution and contribute to its academic community. One of my biggest projects was the Cultivating Appreciation for Reading Empowerment (CARE) Program where I helped challenged learners be at the pace they are supposed to be in reading through development of materials and research-guided training. Significant reading improvements have been recorded at the end of the project.

I look forward to the opportunity to discuss how I can contribute to your department. You can reach me at 0992 818 4443, and/or via email at [rosario.bianes@vsu.edu.ph](mailto:rosario.bianes@vsu.edu.ph). Thank you for considering my application. I look forward to the possibility of contributing to your honorable department and institution. It is a dream of passion.

Sincerely,

ROSARIO ABIERA BIANES
