Greetings Madam HONEY SOFIA V. COLIS,

I am interested in applying as a utility worker in our beloved Visayas State University – Main. I saw the most recent job posting in jobstreet.com and I believe that I can efficiently and effectively do the required tasks.

I finished a degree in Bachelor of Science in Marine Transportation (BSMT) at the Naval State University last May 25, 2018. Within my apprenticeship, I work as a deck cadet where my day-to-day function was to perform general maintenance, repair, sanitation and upkeep of materials, equipment in the areas of deck department. With my experience of maintaining sanitation and upkeep of materials, I am confident that I can manage the required tasks to be given, especially the ones that can contribute values to your beloved company.
