

November 13,2024

Prof. Epifania G. Loreto
Head
Department of Civil Engineering
College of Engineering and Technology
Visayas State University

Dear Madam,

Good day!

I am writing this letter to express my interest in the INSTRUCTOR I position that was posted at VSU Jobs. I am currently working as a Jr. Project Engineer at QM Builders where part of my job is to see to it that everything on site is properly implemented, documents are organized, and the work force is appropriately directed. I was also a part time instructor in your department for two semesters before in which I have taught in several courses. I believe that the combined experiences I gained from the academic field and construction industry makes me a competent candidate for this position.

Thank you so much for your valuable time and consideration. I am looking forward for your kind response.

God bless!

Sincerely yours,

Marianne L. Damicog
