REV RHIZZA L. AURE

Head, Department of Physics
College of Arts and Sciences
Visayas State University

Sir:

In view of my application as Part-time Instructor at the Department of Physics, College of Arts and Sciences of the Visayas State University, I would request your good office to accept my other requirements pending the submission of the following document:

- • Official Transcript of Records (OToR)

I had already inquired about the availability of the document at the Office of the University Registrar, but it was stated that the BOR had not yet passed a resolution on it. Also, I was unable to obtain a copy of grades (CoG) from the Registrar's Office because their employees and the Cashier staff were unavailable due to an important occasion.

In addition, I sincerely request that the accompanying screenshots of my Cumulus grades be considered in lieu of the OToR and CoG during the interim period. Rest assured that any missing or outstanding submissions will be sent as soon as possible.

Should you need other documents relevant to my application, you can contact me through mobile number 0960-664-7858 or using my email address joemarserot@gmail.com. Thank you and more power.

Respectfully yours,

Joemar V. Serot
