

# ALLEN GLEN C. GIL

## APPLICANT

### PROFILE

I am a passionate youth leader, environmental educator, and climate activist. For the past six years, I have spearheaded numerous collaborative and youth-led environmental education, awareness, and action campaigns, as well as youth empowerment programs in my university, local community, and region.

Through my perseverance, I was able to join several competitive international youth engagements on environmental conservation, youth leadership, and sustainable development and represent the Philippines across Asia Pacific and in Europe.
