**Mr. ANDREW A. MAZO**  
Head  
Institute of Human Kinetics  
VSU Baybay City, Leyte

Good day Sir,

I am expressing my interest in the position as part time Instructor at Institute of Human Kinetics.

I am a graduate of Bachelor of Culture and Arts Education. I am confident that my experience and combined skills that I've gained make me well-suited for this role and would enable me to contribute effectively to be an instructor. My forte is also more on music and I also knew how to play keyboard organ and read musical notes.

I look forward to the opportunity to further discuss how I can contribute to the success of your team. Thank you for considering my application.

Warm regards,

Faith Angelyn Gepiga
