

July 18, 2024

Dear Sir/Madam;

Peace and Goodwill!

I am pleased to write to you today regarding my application as a Clinical Instructor in College of Nursing at Visayas State University. I believed that I am qualified for the job and I am submitting my resume for review.

As a Nurse deployed by the Department of Health (DOH) for four years, I had the opportunity to immerse myself in diverse community setting, allowing me to refine my skills and familiarize myself with the correct and efficient processes essential for effective healthcare delivery. Moreover, my experience as an animal bite treatment Nurse at the Baybay City Health Office provided me with invaluable hands-on experience in handling urgent medical situations and delivering prompt, effective care to patients in need. Working closely with a diverse range of healthcare providers at various levels within these contexts has not only honed my clinical skills but also cultivated exceptional collaboration and delegation abilities, enabling me to work seamlessly within multidisciplinary teams to achieve optimal patient outcomes.

For all the reasons above, I would make an excellent addition to your team. I am confident that my skills and experienced have left me well prepared.

Please feel free to contact me at my contact number 09233747251, if you need any further information. Thank you and more power!

Sincerely yours,

Marie Niña P. Dumaguing
