Prof. Andrew A. Mazo

Director, Institute of Human Kinetics

Visayas State University

Visca, Baybay City, Leyte

Dear Dr. Mazo,

I am writing to formally express my interest in the position of part-time instructor at the Institute of Human Kinetics, as posted on your official Facebook page on Friday, July 27, 2024.

I am a proud graduate of the Bachelor of Physical Education program at Visayas State University. For the past three years, I have served as a part-time instructor at the Institute, where I gained valuable teaching experience and developed strong connections with both students and faculty. My dedication to promoting physical education and student development has been consistently reflected in my work.

In addition to my teaching experience, I have also served as a coach in various athletic competitions. I have been a coach both in Regional State Colleges and Universities Athletic Association (SCUAA) and in National SCUAA (NSCUAA), where I was able to mentor student-athletes and represent the university with pride and commitment.

I am confident that my academic background, teaching experience, and coaching involvement have equipped me with the necessary skills and dedication to continue contributing meaningfully to the Institute. I would be honored to have the opportunity to further support your mission of academic and athletic excellence.

Please find my resume attached for your review. I would be glad to further discuss how my qualifications and experience can contribute to your team, and I am available for an interview at your most convenient time.

Thank you very much for considering my application. I look forward to the possibility of continuing my journey with the Institute of Human Kinetics.

Sincerely,

Myra Mae Cornico
