DR. JETT C. QUEBEC

Department Head, DLABS
VSU, ViSCA, Baybay City, Leyte

Dear Dr. Quebec:

With a strong desire to impart my knowledge and experiences, I am writing to you to express my desire to serve as a Social Science teacher in your department. I am a licensed professional teacher, skilled, able, and willing to teach.

I completed my Bachelor of Secondary Education (major in Social Studies) degree in Leyte Normal University last 2018 and currently I am finishing my Master's degree in the same university. I have experience teaching college students for almost 4 years. Given this experience, I can confidently say that I understand how the system works in the state university.

My experience has taught me to establish good relationships with all organizational areas. I am capable of working both within and outside of teams. I believe that your department would help me refine my teaching abilities and would give me the opportunity to learn more things.

I can make myself available for interview and teaching demonstration. My contact details are enclosed in my Resume which comes with my other credentials. I am looking forward to being part of your dynamic team in the department.

God bless you!

Sincerely,

IANVIE NOREAN A. MIAGA
