**Dr. Jeff Quebec**

Head, Department of Liberal Arts and Behavioral Sciences  
Visayas State University  
Visca, Baybay City, Leyte

Dear Dr. **Quebec**,

Greetings!

I am Junrey G. Goles, I finished Bachelor of Arts in English Language and currently taking MS in Language Teaching at the Visayas State University, Baybay City, Leyte. I am writing this letter to apply again as a Part-Time Instructor in your department. My experience working in DLABS further helped me develop and practice my profession and I am eager to learn more through inspiring young lives amidst the new normal set-up of education due to the COVID-19 pandemic.

If given a chance to have the work that you are offering, I will assure you that I will serve your department and the people you are serving in any means I can do. I will work using the optimum knowledge I gained in my entire "*new normal*" teaching experience and the past work I had as a Project Officer of Ideas Positive Junior in Samar Island and other projects affiliated with Unilab Foundation. I will use the experience and skills I acquired in the academe, as a student, student leader and as a development worker.

Attached herewith is a copy of my résumé and Personal Data Sheets. I would appreciate the opportunity to further discuss my application with you at your most convenient time. For more information, you can reach me anytime via SMS (09513705225) or via email at [junrey.goles@vsu.edu.ph](mailto:junrey.goles@vsu.edu.ph)

I am hoping for a positive response about this application. Thank you and God bless!

Sincerely yours,

JUNREY G. GOLES
