25 July 2024

ROSARIO P. ABELA

Department Head

Department of Teacher Education

Visayas State University

Visca, Baybay City, Leyte

Dear Dr. Abela,

I am writing to express my genuine interest in the position of Part-time Mathematics Instructor at Visayas State University. I am a Licensed Professional Teacher (LPT) with Civil Service Commission (CSC) Honor Graduate eligibility. With my achievements and skills, I am confident in my ability to contribute to the academic excellence and professional growth of your institution.

Through webinars it helps me to learn on how to deal with students, school documents, physical and mental health while being professional. More so, as a facilitator of learning, I believe that delivering any course takes effective teaching strategies and plays a crucial role in shaping students' understanding and appreciation of these subjects. Those webinars and my first-hand experience as a practice teacher during my undergraduate, and as a volunteer teacher on the month of July, 2024 has provided me with valuable perceptions about creating engaging and interactive learning environments that foster critical thinking and effective communication and problem solving skills.

In addition, I am currently having my Master of Arts in Education (MAEd) degree in Mathematics at Palompon Institute of Technology. This professional development program allows me to deepen my knowledge, hone my teaching skills, and stay up-to-date on current trends and best practices in teaching and learning Mathematics.

I have attached my résumé, and other pertinent documents for your perusal.

Should you consider that my qualifications meet your standards, I would be glad to advance to the next stage of the application process. Thank you for your time.

Respectfully,

KRYSTEL MAE M. LAUSE, LPT
