DR. ELIZABETH S. QUEVEDO, Ph.D.

Head, Department of Pure and Applied Chemistry
College of Arts and Sciences
Visayas State University

Dear Dr. Quevedo:

I am writing to express my interest in applying as a Part-time instructor of the Department of Pure and Applied Chemistry. I had been a part of the department since 2013 and have made various contributions to the BSChem curriculum as well as the non-major chemistry subjects offered by the department for other degree programs of the university. Attached are my credentials for your perusal. Should my qualifications merit your consideration, I am very much willing to come for a teaching demo and interview at your most convenient time.

I look forward to your positive response.

Yours sincerely,

KEVIN NICK S. BANDIBAS
