To the HR Department,

Peace in the name of our Lord Jesus Christ.

I am interested in the position that you are looking for as a part-time instructor in the Department of Teacher Education. I am a licensed Teacher and a 2nd-year student at Lourdes College taking Master of Education in Education Management.

I graduated last 2016 from Ateneo de Cagayan - Xavier University with a bachelor's degree in Secondary Education majoring in Biological Sciences. I hope for you to consider my application. You may contact me through my email and cellphone number provided. Thank you.
