BEATRIZ S. BELONIAS

Vice President for Academic Affairs, Visayas State University
Visca, Baybay City, Leyte

Dear **Ma'am Belonias**,

I am Danver C. Manuel, a graduate of Bachelor of Science in Meteorology at Central Luzon State University. I would like to express my interest in applying for a **teaching position in meteorology** at Visayas State University. During my study, I have been a consistent Academic Scholar for several times. I also served in different college-based organization, college council, and university publication. In my four years of being a BS Meteorology student I deepened my knowledge about meteorology, environmental science, and disaster management with the help of different trainings and webinars that I participated. I also developed a strong research skills, communication and writing skills, and flexible working skills. With all of my knowledge, experiences, and passion to the field combined I am confident that it helped me to grow and become a competent person ready for a job.

I am hoping for your consideration regarding my application and I am looking forward for your positive response. Thank you and God Bless.

Respectfully yours,

Danver C. Manuel
