ROSARIO P. ABELA

Head, Department of Teacher Education
College of Education
Visayas State University

Greetings!

It is my desire to do public service. I am reaching out to your good office to express my sincere interest to apply for a posted job availability as a part-time instructor under your department.

I am a Licensed Professional Teacher by profession and a Ready Reserve Enlisted Personnel. For the past three years, I was previously employed as a part-time instructor under your respected department. I also served as an office staff at the Local Government Unit – Inopacan under the Office of the Municipal Administrator. From September 2023 to March 2024, I was called to military service as a student Probationary Second Lieutenant at RESCOM Training School, Reserve Command, Philippine Army.

As for my education, I earned the degree Bachelor of Secondary Education – Filipino from Visayas State University – Main Campus. For my masters degree, I have already finished my academic subjects for the degree Master of Arts in Education – Filipino Language Teaching at Cebu Normal University. With my military service, I am graduate of basic and advance ROTC (MS1/2, MS31/32, MS41/42) and Probationary Officers Training Course (POTC/MS43) Class 68-2023 “SINAG HIRAYA”.

I learned a lot from all of my work and training experiences. It has provided me with a wide range and perspective in dealing with all sorts of colleagues, superiors, environments, and situations and has also expanded and honed my skills connected with my profession and service.

I am indeed very grateful for allocating the ample time in reading this letter. If there is any progress about my application, I would be very happy to receive any notification from your office. My contact information is provided for your reference.

Best wishes and more power,

NICKO M. APOSTOL
