DR. ANGELICA P. BALDOS

Head, Department of Forest Science

Dear Ma'am Yepes,

Greetings of peace and prosperity!

I am writing this letter to express my interest in applying for the Instructor 1 position in the Department of Forest Science, Visayas State University. Having obtained my BS Forestry degree in June 2020, my MS Forestry degree in July 2025, and my Forester's License in November 2022, I am eager to contribute my knowledge and skills to the Department of Forest Science.

I am confident that I will be able to handle all of the demands that being an Instructor in this prestigious University entails. I was once part of the Board of Regents, serving as the Student Regent in SY 2019-2020. This gave me a renewed perspective in serving not just the Department but also the University and the nation in general. My experiences as a student leader and as a member of the Board of Regents of VSU not only honed my skills as a leader but also instilled in me a sense of diplomacy and balanced perspective where mindfulness and professionalism are constantly being upheld. I believe that if given a chance, I will be able to influence the students positively, especially in regards to student leadership and to also bring a fresh perspective to the department with regards to the handling of the students. I am also confident that I will be able to demonstrate the core values of the Department, College, and University in order to contribute to the vision, mission, and goals that are being pursued, respectively.

Thank you for taking the time to review my application. I am very much looking forward to hearing from you soon.
