Contact No. 09469383065

## OBJECTIVE

To leverage my knowledge and skills in forestry, gained through academic training and to contribute to sustainable forest management, biodiversity conservation, and ecological restoration. As a licensed forester, seeking a role to obtain a challenging position where I can apply my skills, knowledge, and dedication to contribute to the success and growth of the organization while achieving professional development.

## WORK EXPERIENCE

### LEYTE REFORESTATION PROJECT (LRP), KANANGA LEYTE

On-The Job-Training (OJT)

- Maintenance of nurseries, monitored plant health, and supported the implementation of sustainable forestry practices to promote ecosystem recovery and biodiversity conservation.
- Participated in reforestation by potting seedlings and readying them for planting.
- Collecting wildlings and seedlings for cultivation and propagation and also producing good quality seedlings
- Conducted tree inventory, leaf identification, wildlife habitat and tree planting

## EDUCATION AND QUALIFICATION

### Bachelor of Science in Forestry

Visayas State University - Main Campus, Baybay City

- Overseeing nursery operations and forest production
- Producing materials derived from non-wood forest products
- Leading reforestation and tree planting initiatives

### Registered Professional Forester

Professional Regulation Commission-Region 7

## ADDITIONAL INFORMATION
