Dear Sir;

I'm making an application for a teaching position at your esteemed institution. My resume reveals that I recently received a Bachelor in Secondary Education with a major in Social Studies from Visayas State University.

I had the chance to assume all the duties of a high school teacher at various year levels during my student teaching experiences. I am certain that my abilities and knowledge in my primary discipline would make me a great fit for this job and capable of handling the challenges that teaching in college presents. In order to support the department, which is dedicated to providing the youth of the Philippines with an excellent education, I am eager to showcase my knowledge and teaching abilities. I am always reachable on my mobile phone at 0906-755-6794 (TM) and 0963-752-6794. (TNT).

I appreciate your consideration and time. I'm excited for the chance to talk with you about this job opportunity.

Sincerely,

Rowella R. Añano
