Ma'am:

I want to apply to be a part-time instructor in your department. I have always been drawn to this great profession. I am confident that my knowledge and skills would be beneficial to the growth and learning of your learners. I would appreciate your consideration for this position given my ample capabilities.

I completed my Bachelor of Culture and Arts Education degree at Visayas State University. And last September, I passed the Licensure Examination for Teacher. My main goal as a teacher is to motivate students to give it their all so they can realize their full potential. Also, understanding and responding to the needs and interests of the learners, as well as guiding them in becoming better persons with values and characteristics.

Thank you for considering my application. I am looking forward to meeting with you and discussing how I may contribute to our school community and goals.

Respectfully yours,

JASMINE P. CASIMERO
