

14 July 2025
Mrs. Magdalene C. Unajan
Department Head
Department of Computer Science and Technology
Visayas State University
Visca, Baybay City, Leyte

Dear Mrs. Unajan,

I am Kyle Anthony Nierras, a graduate of Bachelor of Science in Computer Science from Visayas State University. I am writing to formally express my intention to apply for the Part-time Instructor position in your department.

As a proud VSU alumnus with a strong academic foundation in computer science and hands-on experience in both academic and industry settings, I am confident that I can contribute positively to the department. During my time as a student, I was actively engaged in academic projects and consistently helped fellow students understand lessons, which sparked my passion for teaching.

Beyond my academic background, I have been continuously enhancing my skills through real-world application in software development and technology-related projects. I am well-versed in modern programming languages, web and mobile technologies, and current tools relevant to our field. I believe my combined knowledge, passion for teaching, and familiarity with the VSU culture make me a strong candidate for this role.

I am deeply committed to helping students learn and grow, and I aim to deliver lessons in a way that is engaging, clear, and practical. I would be honored to give back to the institution that has shaped me and contribute to the academic development of future Viscans.

Thank you very much for your time and consideration. I look forward to the opportunity to discuss how I can be of service to the university.

Sincerely,

Kyle Anthony Nierras
