University President  
Visayas State University  
Baybay City, Leyte

Thru:

**DR. ROTACIO S. GRAVOSO**

Vice President for Academic Affairs

Dear President Yepes:

May I be allowed to express my earnest intention to apply as Assistant Professor II at your prestigious institution, the Visayas State University – Faculty of Nursing.

I graduated Bachelor of Science in Nursing, Cum Laude from Visayas State University on May 30, 2011. I was recognized as “Best in Clinical Performance” and completed my degree with highest honors among the pioneering nursing graduates.

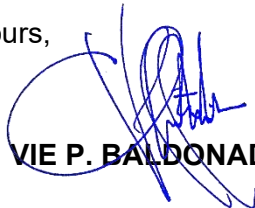

I successfully passed the December 2011 Nurses Licensure Examination with a general average rating of 82.20% and subsequently passed the Licensure Examination for Teachers on March 2019 with a general average rating of 86.00%. I bring with me more than thirteen (13) years of work experience which include hospital, non-government and government service, five of which include teaching nursing education.

If given the chance to work with you, I believe that the knowledge and skills I have gained from my academic training and work experience would help me perform effectively and efficiently in achieving your goals and objectives.

For your further evaluation of my competence and integrity, I have enclosed my résumé along with other pertinent documents for your favorable perusal.

I would be quite grateful to receive a reply relative to this application. You may contact me through mobile number 0918-471-0048, or email address [cvpbaldonado@gmail.com](mailto:cvpbaldonado@gmail.com).

Sincerely yours,

**CHRISTIAN VIE P. BALDONADO, RN, LPT, MAN**
