Visayas State University  
Visca, Baybay City, Leyte

Thru: **REV RHIZZA L. AURE**  
Dean, FNMS

Dear **Dr. Yepes:**

Greetings!

I am writing to express my interest in applying for the Instructor III position in the Department of Statistics at Visayas State University. Since joining the department in 2022, I have come to truly value the university's mission to provide quality education, and its strong commitment to research, extension, and innovation.

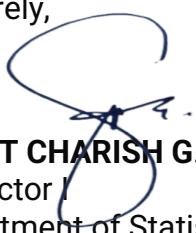

Over the past three years as an Instructor I, I have been committed to providing quality instruction while continuously enhancing my teaching methods to support better student outcomes. For instance, during the last academic year, my TPES rating improved to 94.44%. I have also worked on revising and updating several syllabi to better align with current academic needs and standards. This year, I have the honor of serving as head of the Department of Statistics. In addition, I have been actively involved in major departmental activities, including the AACCUP Level II accreditation in 2024 and a series of international and local trainings and seminars that contribute to our department's strategic goals.

I am currently involved in two active research projects, one in collaboration with the Faculty of Nursing (a new engagement) and another with the Department of Pest Management (ongoing). I have also recently joined an extension project with the Department of Civil Engineering, further strengthening interdisciplinary collaboration within VSU.

I have had the privilege of mentoring the department's student organization, the VSU Statistical Society, for the past two years, as well as guiding VSU's top three students as coach, in the Provincial and National Philippine Statistical Quiz for two consecutive years. I have also had the opportunity to serve as a member of two Technical Working Groups (TWGs) – Root crops and Humanities. Currently, I serve as an alternate member of the Regional Statistics Committee VIII.

I have attached my updated CV and PDS for your reference. Thank you for considering my application.

Sincerely,

**SWEET CHARISH G. GODINEZ**  
Instructor  
Department of Statistics
