

SEPTEMBER 2025

DR. MANUEL D. GACUTAN, JR.
Head
Department of Animal Science
Faculty of Agriculture and Food Science
Visayas State University

Dear Dr. Gacutan,

Greetings!

The retirement of DAS farm Worker II, Mr. Victorino M. Lamo made me aware of his position vacancy. In view of this, I would like to express my outmost interest in applying for the said vacated position.

I have been working in DAS since January 2020 and it is with my full confidence that my length of service has already taught me the necessary skills and have shown the department of my work dedication. With these, I strongly believe that I possess the qualities and experience to be considered as a qualifies applicant.

Nevertheless, I would still like to reiterate that the abovementioned, I have a high school education and have attended trainings that might be of applicable use. Additionally, I can assure you that I have been and will always be patient, wiling to learn, willing to cooperate and willing to perform at my best.

As my supervisor, I wish to hope that you will see the merits I possess and consider me on this application.

For more details about myself please refer to my Resume and other relevant documents attach herewith.

It is my greatest hope that this application reaches you very well and I greatly hope to hear a favorable response from your end.

God Bless And more power.
