Education

Visayas State University - Main Campus

2019 - 2023

Graduated BS in Geodetic Engineering

Ubay National Science High School

2017 - 2019

With Honors

Catungawan National High School

2013 - 2017

With High Honors

Cabugan Elementary School

2007 - 2013

Valedictorian

Language

- English
- Tagalog
- Cebuano

Eligibility

● **Geodetic Engineering Licensure Examination Passer**

November 2023

● Rating: 84.20

Work Experience

RASA Surveying and Realty

Tandang Sora, Quezon City

January 2024 - present

GIS Developer / Geodetic Engineer

(1) Surveying Works for Phase 1 for the Construction of Underground Electrical and Auxiliary Distribution of Mandaluyong City

Project Team Lead

- Gained knowledge in preparing and drafting Bidding Proposals and Documents.
- Developed skills in project planning, documentation, and progress monitoring.
- Compiled and delivered comprehensive Project Updates and Reports, including Inception, Progress, and Terminal Reports.
- Enhanced client negotiation and engagement capabilities, ensuring smooth communication and understanding.
- Coordinated effectively with stakeholders, leading multidisciplinary teams to achieve project objectives.
- Managed project timelines and ensured the completeness and quality of all deliverables.
- Fostered client satisfaction by proactively addressing concerns and providing tailored solutions.
- Conducted Field Verification Surveys to ensure project accuracy and compliance.
- Delivered final project presentations to clients, highlighting project scope, execution, and results.

(2) Supply and Delivery of Geographic Information System (GIS) to the Municipality of Angat, Bulacan

Project GIS Developer

- Developed expertise in spatial data management, analysis, and system integration through close collaboration with GIS specialists, software developers, and local government teams to ensure the application met project requirements
- Played a key role in the design and development of web applications utilizing SuperMap GIS Software
- Contributed to the creation of GIS-based solutions, including Digital Twin Dashboards for the Angat Local Government Unit (LGU), supporting Planning and Monitoring (Land Use Dashboard, Municipal Database Monitoring System Dashboard)
- Ensured the successful delivery of all project milestones and deliverables, maintaining quality and timeliness
- Delivered comprehensive presentations of the dashboards to the client, demonstrating their functionality and value for planning and monitoring purposes

Pintor Surveying, Realty and Development

Bulacao, Cebu City

July 2022 - August 2022

Geodetic Engineer - Student Trainee

- Gained hands-on experience in conducting various field surveys, including Relocation, Subdivision, and As-built Surveys, strengthening land surveying skills
- Operated advanced surveying instruments, including GNSS-RTK and Electronic Total Stations, to ensure accurate data collection
- Performed office tasks such as map preparation, and report generation, further enhancing communication, mapping, and technical writing skills

Voluntary Works/ Involvement

Girl Scout Participant

2014 -2017

Catungawan National High School

Vice President of the Supreme Student Government

Visayas State University

Learning and Development Interventions/ Trainings

● Viscan YouthMappers KoboCollect Training

September 21, 2022

● ***Event Host and Facilitator***

● 2022 GIS Month Webinar Series

November 23, 2022

● ***Participant***

● Mapping of Fire Hydrants in Albueria, Baybay, Ormoc and Inopacan (Leyte)

January 21, 2023

● ***Organizing Committee and Mapper***

● MAPAngandam: Data Collection Collection Training of Viscan YouthMappers

June 2, 2023

● ***Trainer and Facilitator***

● Mapping of Boarding Houses in MAPAGUAPA Area, Baybay City

June 5, 2023

● ***Organizing Committee and Mapper***

● Updates on DENR Policies & Guidelines and E-survey Seminar

January 5, 2024

● ***Participant***

● Work Attitude and Values Enhancement (WAVE) Seminar

RASA Surveying and Realty, Quezon City

May 9, 2024

● ***Participant***

● Living Our Values Everyday (LOVE) Seminar

RASA Surveying and Realty, Quezon City

July 26, 2024

● ***Participant***

● ISPRS Technical Commission V Midterm Symposium

Philippine International Convention Center (PICC), Pasay City, Metro Manila

August 6-8, 2024

● ***Participant***

● Geodetic Engineers of the Philippines - 40th South Luzon Area Assembly

Costa Palawan Resort, Puerto Princesa City, Palawan

November 7-8, 2024

● ***Participant***

● SuperMap Software Training

RASA Surveying & Realty

● ***Participant***

● Activating the Power of Generative AI Workshop

RASA Surveying & Realty

January 23, 2025

● ***Participant***

Awards and Recognitions

- **Math Challenge School Representative**
Primary and Secondary Level
- **Lakambini 2016 Winner**
Catungawan National High School
- **Miss Intramurals 2018 Winner**
Ubay National Science High School
- **Mr. and Ms. Alumni 2022 - *Best in Q & A and Production Number***
Catungawan National High School
- **3rd Place in Girl Scout Singing Competition**
Guindulman District - Catungawan Nat'l High School Representative
- **Winner of Musical Band Competition - *Keyboardist/ Pianist***
Inter-Church Sports Feast
- **Jazz Chants Competition Winner**
Guindulman District - Catungawan Nat'l High School
- **Guitar Ensemble Winner**
Guindulman District - Catungawan Nat'l High School
- **Host (Master of Ceremony) of the ff. events:**
 - Buwan ng Wika 2015 (Catungawan National High School)
 - CNHS 50th Founding Anniversary (Catungawan National High School)
 - 2022 Barangay Christmas Party (Catungawan Norte)
 - Emergence: KoboCollect Orientation and Training 2022 (Visayas State University)
 - Smart Angat Project Kick-Off Ceremony (RASA Surveying)
