Kleer Jeann G. Longatang

Email : kleeajeann.longatang@vsu.edu.ph

## PROFILE

To work in an environment that encourages professional growth and success, where I can apply my academic background in Biological Sciences and Tropical Ecology, along with my teaching experience at both the secondary and tertiary levels, to deliver engaging, researchinformed, and student-centered science education that fosters critical thinking, environmental awareness, and academic excellence.

## WORK EXPERIENCE

**Part-time Instructor** 2022-2023  
ITEEM - Visayas State University

- Delivered lectures and facilitated discussions in Environmental Science and Natural Resource and Environmental Management subjects to undergraduate students.
- Assessed student performance through exams, presentations, and practical outputs.

**CWTS Coordinator** 2022-2023  
Visayas State University

- Facilitated community engagement programs, supervised student fieldwork, and promoted civic responsibility and environmental awareness among students.

**Part-time Instructor** 2021-2022  
DBS - Visayas State University

- Delivered lectures and facilitated discussions in Zoology and Life Science subjects to senior high school and undergraduate students.
- Assessed student performance through exams, presentations, and practical outputs.

## EDUCATION

**Master of Science in Tropical Ecology  
minor in Development Sociology** 2023-2025  
Visayas State University - Main Campus

**Bachelor of Secondary Education  
major in Biological Sciences** 2015-2019  
Leyte Normal University
