Profile

As a teacher, my career objective is to create a positive and engaging learning environment that promotes the holistic development of my students. I aim to inspire and challenge my students to reach their full potential, not just academically, but also socially and emotionally. I strive to continuously improve my teaching practices by staying up-to-date with the latest educational research and technologies. Additionally, I hope to contribute to the education field by conducting research and publishing my findings. Ultimately, my goal is to make a positive impact on the lives of my students and help them become lifelong learners who are capable of making meaningful contributions to society.

Employment History

Practice Teacher, San Juan National High School, San Juan

January 2023 — April 2023

As a Practice Teacher at San Juan National High School, my role was to complete the practical teaching requirements as part of my Bachelor's degree program. This opportunity allowed me to gain valuable hands-on experience in education and enhance my teaching skills under the guidance of experienced educators.

During the January to April time frame, my responsibilities included:

- Lesson Planning
- Classroom Instruction
- Student Assessment
- Classroom Management
- Collaboration
- Individualized Support
- Parent and Community Engagement
- Professional Growth

Education

Bachelor of Science in Secondary Education (Major in Science), Southern Leyte State University, San Juan

July 2019 — June 2023

Graduated with Latin Honors (Magna Cum Laude) and received the Academic Excellence Award.

Achievements

Department of Science and Technology Scholar

2019

The DOST scholarship is awarded to talented and deserving students in the Philippines who wish to pursue studies in science, technology, engineering, and mathematics (STEM) fields. These scholarships are highly competitive and are open to students at various levels, including undergraduate, master's, and doctoral programs.

Embracing Our Differences Quotation Award

2022

Embracing Our Differences (a non-profit organization) holds an annual quotation contest. Last February 2022, my quote was among the few (17,413 submissions) selected to be displayed in an art exhibition in Sarasota, Florida.

The quote that I wrote and was selected was "The way you think can change how you act; the way you act can change how others think."

Academic Excellence Award

2023

Given during the Commencement Exercises on June 2, 2023, from Hon. Christopherson M. Yap (District Representative, Southern Leyte, 2nd District). This award is given to the graduate with the highest GPA in the entire school.

Magna Cum Laude

2023

Given for my achievement of graduating with Latin honors, Magna Cum Laude.
