PRE-PROFESSIONAL EXPERIENCE

Teaching Internship

MAR. 7, 2023-MAY 15, 2023K

Caridad National High School

My teaching Internship for 360 hours prepared and honed me to experience the reality in becoming a teacher. The chaos inside the classroom on how to well managed and discipline each student was not easy but fulfilling. The making of lesson plan and the technique on how to impart this to students needs extra efforts. Indeed, teaching is a noble profession. I want to continue learning and developing my skills inside and outside the classroom.
