In addition to that, I am also one of the first-time passers of the March 2024 LET Exam and attended the oath-taking on June 12, 2024. I am confident in my ability to contribute to the academic success of the students at your esteemed institution.

Throughout my career, I have been dedicated to fostering a positive and inclusive learning environment. My teaching philosophy is centered around engaging students in critical thinking and encouraging them to develop a deep understanding of social studies concepts. I am adept at incorporating technology into the classroom, utilizing various resources to enhance the learning experience, committed to creating a classroom environment that promotes open communication and mutual respect, promoting an atmosphere that encourages active participation, and fostering a love for social studies.

Furthermore, I am impressed by VSU's commitment to academic excellence and community involvement, and I am eager to contribute my skills and passion to your school's mission as well as to grow and enhance my abilities and skills. I believe in instilling a passion for learning and helping students connect historical events to their present lives, thereby preparing them for active citizenship.

Thank you for considering my application. I am excited about the opportunity to be a part of the Viscan team and contribute to the academic and personal growth of your students.
