Ma'am,

Please accept this letter as my formal application for a university lecturer at your reputable College. I have been informed me that your department is actively looking for a university lecturer. Given my credentials, I believe I am eligible to teach at your department.

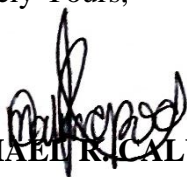

I received my bachelor's degree in agriculture major in Agricultural Economics from Visayas State University of Visca Baybay City, Leyte last 2019. I have been teacher for more than 4 years in the Department of Education as a Special Science Teacher 1. Previously, I have been employed as a research assistant in the Visayas Socio-Economic Research and Data Analytics Center (ViSERDAC) under the leadership of Dr. Moises Neil V. Serião.

I finished my professional education units at Fransiscan College of the Immaculate Conception (FCIC), Baybay City, Leyte. Which allowed me to take the Board Examination for Licensed Professional Teachers (LET) which is passed last 2023. Prior to passing the LET I also took the Licensure Examination for Agriculturists (LEA) and successfully passed last 2022. Currently I am holding two (2) professional licenses on Agriculture and Professional Teacher. I have also completed 9 units of Master of Arts in Education, Major in Educational Management (MAED-EDM) in Leyte Normal University.

To continue my academic development, I would like to be a member of your respected institution to help me grow more holistically, emotionally, and physically. I know for a fact that your department has set a high standard on quality education, research and faculty development which weighed heavily on my decision making.

Thank you for taking the time to examine my application. I am looking forward to hearing from you.

Sincerely Yours,

MICHAEL R. CALUNGSOD
