Baybay City, Leyte

SUMMARY

As a graduate with a Bachelor of Science in Environmental Science, I am eager to continue sharing the knowledge and skills I have acquired in nurturing and protecting our natural environment with the younger generation. Having taught several environmentally-related courses over the past four semesters, I am confident that I possess the qualifications necessary to foster environmental knowledge and appreciation both inside and outside the classroom.

EDUCATION

College

Visayas State University (2018-2022), BS in Environmental Science (Magna Cum Laude)

Senior High School
