ANTONIO P. ABAMO

Director

Office of the Director for Extension

Visayas State University

Visca, Baybay City, Leyte

Dear Mr. Abamo,

I am writing to express my genuine interest in applying for the Science Aide position that you are looking for. I became aware of this exciting opportunity through the official website of Visayas State University. While I may not have direct experience in this specific role, I am enthusiastic about the prospect of learning and contributing meaningfully to your team.

Although my prior experiences and educational background may not align directly with the Science Aide position, they have equipped me with valuable knowledge and skills that I believe can be advantageous in this role. I am confident that, with your guidance and the resources provided by your office, I can excel in my responsibilities and quickly adapt to the demands of the position. I am highly motivated and proactive in my pursuit of knowledge, often dedicating my free time to explore and learn independently.

My strong sense of communication, determination to see tasks through to completion, and ability to work collaboratively make me a strong candidate for this position. I am committed to contributing my best efforts to support the goals and mission of office.

I am eager to discuss further how my skills and enthusiasm align with the needs of your team. Thank you for considering my application. I have attached my resume for your review, which provides additional details about my educational background and relevant experiences.

Sincerely,

LIEZEL R. ESCALA
