Sweet Charish G. Godinez  
Department Head  
Department of Statistics  
Visayas State University-Main Campus  
2/F Old Library Building, Visca, Baybay City  
Leyte 6521-A

Dear Ma'am Godinez,

I am writing to formally express my enthusiasm for the part-time Instructor position in the Department of Statistics at Visayas State University (VSU). As a recent graduate of the Bachelor of Science in Statistics program at VSU, I have a deep appreciation for the department's commitment to academic excellence and am eager to contribute to its continued success.

I am passionate about making statistics accessible and engaging for students. My goal is to help them understand not just "how" behind statistical methods, but the "why", equipping them with critical thinking skills to apply these methods effectively in real-world scenarios, which I believe is crucial for their long-term success. I am confident that my recent experience as a student gives me a unique perspective on the learning process, allowing me to connect with students and address their challenges. I am also eager to continue my own learning in the field and stay updated on new statistical methodologies and tools. I believe that being a continuous learner myself will make me a more effective instructor.

I have attached my resume for your review, which provides my additional details on my academic background and skills. Thank you for considering my application. I am excited about the possibility of returning to the VSU Department of Statistics.

Sincerely,

  
Almera G. Alleluya  
Applicant
