

Dr. ULDERICO B. ALVIOLA

Curriculum Vitae

BIOGRAPHICAL INFORMATION

Dr. Ulderico B. Alviola is a Straight Ph.D. in Development Communication graduate from the University of the Philippines Los Baños (UPLB) under a joint scholarship grant from the German Academic Exchange Service (DAAD) and the Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA). He is the first and only graduate of such advanced degree program in history.

He completed his undergraduate degree in Development Communication from the Visayas State University (VSU), Cum Laude, and worked there for 16 years first as a Substitute Instructor from June 2007 to July 2008 and as Administrative Officer IV with permanent status from December 2008 up to the present.

He currently serves as the Founding Head of the University Integrated Media Center (UIMC), which is the public and community relations arm of VSU in charge of public affairs work, crisis communication, media production, online promotions, and corporate branding of the university in line with VSU's internationalization efforts.

Dr. Alviola is also an affiliate faculty of the VSU Department of Development Communication, a CHED Center of Development in Development Communication, from July 2015 up to the present teaching courses in communication theory, fundamentals of development communication, development journalism, risk communication, communication campaigns, educational communication technology, and media and information literacy

He is active in both national and regional communication associations serving key management positions to represent the Visayas region. Dr. Alviola was recently elected as the National President of the Association of Development Communication Educators and Practitioners (ADCEP) Philippines which is a group organized to expound on the praxis of development communication specifically to share and discuss about the narratives, trends, and challenges about this unique field of social science.

He also the longest serving Vice President for the Visayas of the Philippine Association of Communication Educators (PACE), the largest and oldest organization of communication professionals in the Philippines.

He also worked in various capacities as: Main Curriculum Developer on Communicating Labor Migration together with the Asian Institute of Journalism and Communication (AIJC) and the United Nations International Labour Organization (UN-ILO); Consultant for the Development of a Learning Research Paper on Disaster Management with the Islamic Relief Worldwide; Contributing Researcher and Writer for ChildFund Philippines, the Land Administration and Management Project (LAMP), the Biodiversity Management Bureau (BMB) of the Department of Environment and Natural Resources (DENR), and the Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development (PCAARRD) of the Department of Science and Technology (DOST); and as Multimedia Consultant and Producer of the National Council for Children's Television (NCCT) of the Department of Education (DepEd), and the Australian Centre for International Agricultural Research (ACIAR).

Dr. Alviola was also a former Rappler Ambassador, a Community Journalist and Regional Correspondent in Eastern Visayas for MovePH who covered 2013 and 2016 local elections in Laguna and Samar, the historic Papal Visit of Pope Francis in Tacloban City on January 17, 2015 including other community and development-oriented stories from Visayas and Mindanao.
