Dear Dr. Gabunada:

I am writing to express my intention to apply for the Assistant Professor IV position in the Department of Arts, Languages, and Literature. I believe I possess the qualities and competencies necessary to fulfill the responsibilities of this role.

I have extensive teaching experience, ranging from classroom instruction to online teaching. Through these experiences, I have developed skills in facilitating learning in various environments, designing instructional materials tailored to different age groups and skill levels—suitable for both online and in-person settings—and employing diverse teaching strategies to actively engage students.

In addition to my teaching expertise, I have been actively involved in research, both individually and collaboratively, and have published research articles. Furthermore, I recently earned a doctorate in Language Teaching, which has expanded my professional network and provided greater opportunities to conduct research and extension activities in collaboration with fellow scholars.

Attached are my documents and certificates for your perusal. I look forward to the opportunity to discuss my application further. Thank you for your time and consideration.

Best regards,

PRECIOUS C. DOMINGO
