*Visca, Baybay City Leyte*

Madam:

Good day!

I would like to apply as an Associate Professor IV under your supervision.

I am John Clark M. Mesias, a graduate at Visayas State University- Tolosa with a degree of Bachelor of Secondary Education major in MAPEH, a cum laude graduate with Certificate of Eligibility, a Licensed Professional Teacher, and a graduate of Master in Physical Education at Leyte Normal University. On my experiences as a Part-Time Physical Education Instructor at ACLC College, Eastern Visayas State University-Burauen Campus, Visayas State University-Tolosa and as Teacher II at Burauen Comprehensive National High School, I have encountered lots of circumstances and challenges that required higher order thinking skills and competencies and was able to overcome those. I have learned a lot from my experiences especially in handling individual differences. I was able to cater and attend their needs with confidence and self-sufficiency. With these experiences, I was able to submit and have a Pre-Oral Defense of my Innovation and Research at Leyte Division and with high hopes while patiently waiting for my first-ever research to be published at Physical Education and Research Studies where I am connected as Deputy Member/Ambassador. With these mentioned humble achievements, I realized that I still want to learn more and be part of molding your future Professional Teachers in achieving their ultimate goal. I truly believe that this institution could help me in realizing my ideals and aspirations by being part of the teaching force under your administration.

I am willing for an interview at your most convenient time. You can reach me with this contact numbers: 0960-663-9691/0927-482-3494.

I am looking forward for your favorable response regarding my application. Thank you and more power!

Sincerely yours,

**MR. JOHN CLARK M. MESIAS, LPT, M.P.E.**
