

**ST. SCHOLASTICA'S ACADEMY MARIKINA
MEDICAL- DENTAL CLINIC**

This is to certify that Miss Cledele Honeylou Dimalig worked with us in the school clinic from June 2014 until January 2015. She was allowed to use her nursing skills in the school clinic attending to students who needed medical attention while an on-going medical examination for our students were done. She also assisted me in taking care of sick students and employees in the school.

She is of valuable help last school year in the clinic because as a nurse, she was able to assist us during our annual medical examination of students.
