DR. CHARIS B. LIMBO
Department Head
Institute of Human Kinetics
Visayas State University
Visca, Baybay City, Leyte

Dear Dr. Limbo,

Good Day!

I am writing to express my interest for any teaching position in your good institution. I am Ian Rev Antigua Retuya, 23 years old, a graduate of Bachelor of Culture and Arts Education at Visayas State University, Baybay City Leyte. My academic and practical training have honed my critical-thinking, communication and teaching skills necessary for a holistic approach in education both in secondary and tertiary level. I acknowledge I still have room for improvements but through working in a challenging and top institution such as VSU specifically our dear IHK will help me grow professionally as well as contribute to providing good quality education to the young minds. I have enclosed my resume for your perusal and I can provide other supporting materials upon request.

Thank you for considering my application and taking time to read this. I look forward to your positive response. May God bless you and your good institution?

Sincerely,

IAN REV A. RETUYA
